

Final Announcement

1st Annual NEURO ICU SYMPOSIUM

**"Cutting-edge Management of Neurological
and Neurosurgical Emergencies and Critical Care"**

January 16th - 19th, 2019
Royal Ambarrukmo Hotel Yogyakarta

INVITATION TO PARTICIPATE

Dear Colleagues,

Some complication of Anesthesia either ending with fatal or near fatal condition. So we have to hold this The First Annual Neuro ICU Symposium Cutting-edge Management of Neurological and Neurosurgical Emergencies and Critical Care.

That will be held on January 16th – 19th, 2019, we proudly present performance our Sympo **"The First Annual Neuro ICU Symposium"**. Our very first sympo about Neuro ICU, that is a designed to emphasize the important of this essential part from early detect to manage this complication other than we will also hold various Workshops. Topics will be presented by highly competent speakers from many part of Indonesian Hospital or Faculty so that we will all be able to have experiences and knowledge on recent advances in field anesthesia and other Evidence Base especially in Neurological and Neurosurgical Emergencies and Critical Care. We strongly suggest the first annual sympo is the best event for developing skill and knowledge beyond the anesthesia – intensive therapy field.

Not only the Symposium topics and Workshop will be interesting but we hope that you all enjoy all the time in Special Yogyakarta.

Best Regards

SUDADI, MD

ORGANIZING COMMITTEE

Advisor	: Prof. Dr. Tatang Bisri, dr. SpAn, KNA, KAO dr. Bambang Suryono, Sp.An, M.Kes, KNA, KAO, KIC DR.dr. Sri Rahardjo, Sp.An, KNA, KAO
Chairman	: Dr. dr. Sudadi, SpAn, KNA, KAR
General Secretary	: dr. Wahyu Jati Paramita Dewi
Treasure	: dr. Rima Putri Hastri
Fundraise Committee	: dr. Fathkur Roofi Khoeri
Scientific Committee	: Dr. dr. MM Rudi Prihatno, SpAn, KNA Dr. Yulianti Bisri, dr. SpAn, KNA, KAO dr. Ardana, SpAn, KNA dr. Heri Tri Susanto
Publication and Doc	: dr. Hamam Prakosa
Acara	: dr. Rendra Perwira
Perlengkapan	: dr. Crodia Hernandes
Workshop	: dr. Fathkur Roofi Khoeri dr. Rendra Perwira

PROGRAM AND ACTIVITIES

1. FREE SYMPOSIUM WORKSHOP

- Neuro Emergency
- Transcranial Doppler (TCD)
- Intra Operative Neurophysiology Monitoring (IOM)

2. Neuro ICU 1 Annual Symposium (Scientific Topics)

- Concept Neuro ICU
- Ethics in Neuro ICU
- Admission to neurological ICU: who, when, and why?
- Why Neuro ICUs are totally unique?
- Organization of a Neuro ICU Unit
- Insert ICP monitor/ Monitoring in neurocritical care unit
- Fluid, Blood product and Mannitol
- How and when should I use barbiturate coma?
- Hypothermia therapy in severe TBI
- Normal Blood Pressure or Therapy Hypertensive in severe TBI

3. Medical & Scientific Exhibition

Scientific exhibition on 18 – 19 January 2019 including the latest technology, equipment for clinical management & pharmaceutical products and literature Companies Interest in participating in the exhibition can request more information and order forms from scretariat.

4. E-Poster & Free Paper Contest

Will be held 18 – 19 January 2019. Participants are invited to submit E-Poster and free paper. E-Poster and free paper should be submitted in English Presentation, only for a registered participant. E-poster and free paper will not be processed until the registration fee have been received and acknowledged.

NEURO ICU SYMPOSIUM PROGRAM

DAY 1

SESSION 1: PLENARY

Moderator : Prof. Dr. dr. Tatang Bisri, SpAn, KNA, KAO

Time	Topics	Speaker
07.30 – 08.00	Setting up a Neuro ICU – benefits and challenges	Prof. Thomas Lew
08.00 – 08.30	Ethics in Neuro ICU	dr. Bambang Suryono, SpAn, M.Kes, KNA, KAO
08.30 – 09.00	Prevention Fraud di Neuro ICU in BPJS Era	dr. Andi Wahyuning Attas , SpAn, KIC, MARS
09.00 – 09.15	Discussion	

SESSION 1: BASIC NEURO ICU

Moderator :Dr. dr. Dewi Yuli Bisri, SpAn, M.Kes, KAO, KNA

Time	Topics	Speaker
09.15 – 09.45	Neurophysiology for the Neurointensivist	Prof. See Jee Jian
09.45 – 10.15	Pathophysiologic processes in the NICU patient	Wong Yu Lin, MD
10.15 – 10.45	Approach to the comatosed patient	Prof. Kwek Tong Kiat
10.45 – 11.00	Discussion	

11.00 – 12.00	Lunch Symposium	 KALBE
12.00 – 13.00	ISHOMA	

SESSION 2: FIRST-TIER THERAPY

Moderator : dr. Bambang Suryono S, SpAn, M.Kes, KNA, KAO

Time	Topics	Speaker
13.00-13.30	Using the ICP monitor to guide therapy – should we?	Prof. See Jee Jian
13.30-14.00	Fluid, Blood product and Hyperosmolar Therapy	Prof. dr. Siti Chasnak Saleh, SpAn, KIC, KNA
14.00-14.30	Ventilation	dr. Bambang Wahjuprajitno, SpAn, KIC
14.30-15.00	Discussion	

SESSION 3

Moderator: DR. dr. Sri Rahardjo, SpAn, KNA, KAO

Time	Topics	Speaker
15.00-15.30	GCS, GOS and GOSE	Dr. dr. Ismail Setyopranoto Sp.S(K)
15.30 -16.00	Diagnosing brain death in the Neuro ICU	Prof. Kwek Tong Kiat
16.00-16.30	Brain death certification	Dr. dr. Iwan Fuadi , SpAn, KNA, M.Kes
16.30-16.45	Discussion	

NEURO ICU SYMPOSIUM PROGRAM

DAY 2

SESSION 4: SECOND-TIER THERAPY Moderator : Prof. Dr. dr. Nancy Margarita Rehatta, SpAn, KNA, KMN

Time	Topics	Speaker
8.00-8.30	How and when should I use barbiturate coma?	Dr. dr. Sudadi, SpAn, KNA, KAR
8.30-9.00	Hypothermia therapy in severe TBI	Prof. Dr. dr. Tatang bisri, SpAn, KNA, KAO
9.00-9.30	Normal Blood Pressure or Therapy Hypertensive in severe TBI	Dr. dr. I Putu Pramana Suarjaya, SpAn, M.Kes, KNA, KMN
9.30-10.00	Decompressive Craniectomy	Prof. Dr. dr. Zainal Muttaqin, Sp.BS, Ph.D
10.00-10.15	Discussion	

SESSION 5: Moderator : Dr. dr. Sri Raharjo, SpAn, KNA, KAO

Time	Topics	Speaker
10.15-10.45	decompressive laparotomy for refractory intracranial hypertension : is it useful?	Dr. dr. Dewi Yulianti Bisri, M.Kes, SpAn, KNA,, KAO
10.45-11.15	Pharmacological Brain Protection in severe TBI	Dr. dr. M. Sofyan Harahap, SpAn, KNA
11.15-11.45	Nutrition in patient with severe TBI: when parenteral, enteral and combine?	Prof. Dr. dr. Nancy Margarita Rehatta, SpAn, KNA, KMN
11.45-12.00	Discussion	
12.30-13.00	ISHOMA	

SESSION 6: Moderator : Dr. dr. Sudadi , SpAn, KNA

Time	Topics	Speaker
13.00-13.30	Specific Biomarker in severe TBI to detect outcome	Dr. dr. Rudi Prihatno, SpAn, KNA
13.30-14.00	Sedation and analgesia	dr. Syafruddin Gaus, Ph.D.,SpAn, KMN, KNA
14.00-14.15	Discussion	
14.45-15.00	CLOSING	

NEURO ICU FREE SYMPOSIUM WORKSHOP

Departemen Anestesiologi dan Terapi Intensif
FKKMK UGM-RSUP Dr Sardjito,
Perdatin Yogyakarta

Menyelenggarakan: Case base learning & Simulation Workshop

16-17 Januari 2019

SUSUNAN ACARA

I HARI PERTAMA 16 JANUARI 2019

WAKTU	MATERI	Pembicara
07.00-07.30	Registrasi ulang	Panitia
07.30-08.00	Pre Test	Panitia
08.00-08.15	Pembukaan	Panitia
08.15 -09.00	Prinsip-prinsip Neurocritical Care	Dr Bambang
09.00-09.45	Manajemen pasien dengan penurunan kesadaran (Koma)	Dr Sudadi
09.45-10.00	Coffe Break	
10.00-10.45	Manajemen pasien dengan kejang	Dr Sri raharjo
10.45-11.30	Manajemen pasien dengan kelemahan (Weakness)	Dr Rudi
11.30-13.00	Istirahat, Sholat dan Makan siang	

Skill station (masing-masing station 60 menit) 13.00 – 16.30

Skill 1	Skill 2	Skill 3
Manajemen Jalan napas dan pernapasan dan Sirkulasi pada pasien dengan problem neurocritical care Dr sudadi	(simulasi dan diskusi kasus) Manajemen pasien dengan Kejang dan Penurunan kesadaran Dr Sri Rahardjo	(Simulasi dan diskusi kasus) Manajemen pasien dengan Kelemahan otot Dr Rudi

16.30-17.00 Evaluasi hari I dan Persiapan hari II

I HARI KEDUA 17 JANUARI 2019

WAKTU	MATERI	Pembicara
07.30-8.15	Manajemen pasien dengan nyeri kepala berat (Severe Head Ache)	Dr yudhianta. Sp.S(konsultan nyeri)
08.15-09.00	Traumatic Brain Injury	Dr Rachmat andi SP.BS
09.00-09.15	Coffee Break	Panitia
09.15-10.00	Spinal Cord Injury	Prof tatang
10.00-10.45	Stroke	Dr ismail sp.s
10.45-11.30	Infektif Neurological Emergency	dr sekar satiti Sp.S
11.15-13.00	Istirahat, Sholat dan Makan siang	Panitia
13.00-13.45	Deklarasi Brain Death dan Paliatif Care pada pasien Neurocritical care	Dr iwan
13.45-16.30	Simulasi komprehensif dan Debriefing	Dr sudadi Sp.AN Dan dr bowo sp.an
16.30-17.00	Post Test	panitia
17.30-selesai	Penutupan	

WORKSHOP TRANSCRANIAL DOPPLER

Date : January 17th, 2019

Cost : IDR 3.000.000

Venue : Royal Ambarrukmo Hotel

WORKSHOP : TRANSCRANIAL DOPPLER

TCD provides a real-time, non-invasive, and relatively inexpensive assessment of characteristics of blood flow and cerebrovascular hemodynamics in the brain's basal arteries. TCD examination has clinical use in a number of disease conditions. It also has now been applied for assessment of vasospasm, subarachnoid hemorrhage, intra and extracranial arterial stenosis and occlusion, assessment of brain stem death, head injury, increase intracranial pressure, intraoperative monitoring, vasomotor function impairment, and cerebral microembolism in right to left cardiac shunt. Furthermore, it has also been used extensively for the assessment of cerebral pressure autoregulation.

WORKSHOP

TRANSCRANIAL DOPPLER

Welcome address and introduction
to Transcranial Doppler

Clinical Application and Interpretation
of TCD results

Additional control, windows
and vessels

Finding the middle cerebral artery

Finding anterior and posterior
cerebral arteries

Finding the internal carotid, basilar,
and vertebral arteries

Optic nerve assessment for
ICP monitoring

Skill station on human model

SPEAKERS

dr. Ramzuzaman Ismail (Malaysia)

dr. Cheong Chee Yen (Malaysia)

dr. Jollis Thjia, SpEM (Indonesia)

Neuro ICU Symposium 2019

“Cutting-edge Management of
Neurological and Neurosurgical
Emergencies and critical Care”

WORKSHOP

Intra Operative Neurophysiology Monitoring

Date : January 17th, 2019

Cost : IDR 1.000.000

Venue : Royal Ambarrukmo Hotel

WORKSHOP : Intra Operative Neurophysiology Monitoring

Intra Operative Neurophysiology Monitoring menjadi *gold standart* pada pemantauan fungsional jaringan saraf selama prosedur operasi yang melibatkan sistem saraf. Penggunaan Samatosensory Evoked Potentials (SEPs) dan Moto-Evoked Potentials (MEPs) memberikan pemantauan yang kuat terhadap jarak sensorik dan motorik di cornu anterior dan cornu posterior. Medulla spinalis, dimana sistem saraf pusat pasien dapat diperiksa tanpa membutuhkan kooperasi pasien pada saat anestesi. Prosedur operasi pada sistem saraf pusat berpotensi untuk menimbulkan trauma dan merusak struktur dan fungsional dari saraf sehingga berisiko menyebabkan defisit neurologis pascaoperasi. Penggunaan IONM pada prosedur operasi spinal orthopedi mampu menurunkan secara signifikan insidensi defisit neurologis pascaoperasi tersebut.

peserta belum memenuhi kuota,
workshop akan di tiadakan.

FREE PAPER

GENERAL RULES

1. The competition is open to all anesthesiologists and anesthesiology students.
2. All paper must be submitted and presented in clear English with accurate grammar and spelling of a quality suitable for publication.
3. The award is based on the quality of the manuscript and the content and style of the platform presentation; the work should be scientific, innovative, informative, and practical. The topic of the research must be related to anesthesiology.
4. Authors must attend the conference, and to present the paper. Authors who do not attend the conference will be disqualified from the paper competition.
5. The student presenting the paper must be the first author on the abstract and on the manuscript.

SUBMISSIONS

1. Only paper of authors who have paid their registration fees and submit the paper by 1 August 2018 will be accepted in NEURO ICU SYMPOSIUM 2019 free paper competition. No exceptions to this cut-off date can be granted.
2. Papers should be submitted electronically in MS Word to the current secretariat of NEURO ICU SYMPOSIUM 2019 at neuroicu.inasnacc@gmail.com, with subject "free paper contest", followed by author's name.
3. Changes cannot be made once the paper has been submitted.

PAPER REQUIREMENTS

1. Papers must be typed, double-spaced, Times New Roman font (size 12)
2. Papers should be approximately 15 - 20 pages in length.
3. There is no requirement on the number of references.
4. All papers must include a(n):
 - ~ Title page (first and last name, title of the paper, institution detail, date)
 - ~ abstract (limited to 250 words) with 3-5 key words or phrases
 - ~ Introduction
 - ~ Body
 - ~ Conclusion
 - ~ Reference page
 - ~ Relevant appendices are acceptable if needed
5. References should be numbered consecutively in the order in which they are first mentioned in the text (not in alphabetic order) . Few examples:
 - a. Journal
Schwartz A, Bosch LM. Anesthetic implications of postpolio syndrome: new concerns for an old disease. AANA J.2012;80(5):356-361.
 - b. Book Chapter
Tunajek SK. Standards of care in anesthesia practice. In: Foster SD, Faut Callahan M, eds. A Professional Study and Resource Guide for the CRNA. 2nd ed. Park Ridge, IL: American Association of Nurse Anesthetists; 2011:149-174.
 - c. Website
US Department of Veterans Affairs. National Center for PTSD Website. PTSD Overview.<http://www.ptsd.va.gov/public/pages/fslist-PTSD-overview.asp>. Accessed September 17, 2012.

EVALUATION METHOD

1. Quality of writing/organization 33%
2. Critical analysis/use of the literature/ novel thoughts/Ideas 33%
3. Contribution to the profession 33%

AWARDS

Prizes will be awarded the day of the conference at the closing ceremony.
For further information do not hesitate to call our contact person
dr. Shonnif (0813 3003 3330) or BY EMAIL VIA neuroicu.inasnacc@gmail.com

E-POSTER GUIDELINES NEURO ICU SYMPOSIUM 2019

An e-poster is an electronic version of the traditional boards, and is displayed on screens.

- ~ The E-poster will be displayed on giant screen
- ~ File format should be image TIFF (*.tif/*.tiff)
- ~ Total size of the presentation should not exceed 10 MB.
- ~ Maximum number of slides per E-poster: 1 (One)
- ~ All slides should be in portrait format
- ~ Animation/movies/sounds will not be supported, please submit in a static format only.

GENERAL INSTRUCTIONS FOR WRITING RESEARCH/CASE REPORT

- ~ No abstracts will be considered after the closing deadline
- ~ Abstracts must be typed in English
- ~ The abstract of original contributions should be written in structured form along with personal data as follow:
 - a. Topic title with bold all caps, short and specific
 - b. Presenting authors full name with underline
 - c. Institution Affiliation & City and Country Origin

Provide an abstract on not more than 250 words. It should consist of five paragraphs, labeled Background, Objective, Methods, Results, and Conclusions. They should briefly describe, respectively, the problem and aim being addressed in the study, how the study was performed, the salient result, and what the authors conclude from the results. Avoid using non standard abbreviations, unfamiliar terms, symbols, or acronyms not easily understood by general readers.

E-POSTER DISPLAY

1. All posters will be automatically displayed on giant screen as a slide show
2. Five (5) posters will be presented which selected by Panel of Jury
3. Presentation schedule to be announced 19 January 2019
4. Poster presentation and discussion period of the poster on related poster topic upon the site schedule during which at least the presenting authors should stand besides their posters to answer Q's. The time is during any break and lunch times.

ABSTRACT ACKNOWLEDGEMENT

Submitted abstract will be reviewed by member of the panel to be allocated to Posters upon quality, clarity, and relevance for the audience, as well as the significance of the paper. Submission will be acknowledged by email reply st before 1 January 2019. All presenting authors, whose abstracts are accepted, must be paid registrants. Abstracts will not be processed until st appropriate registration fee has been received and acknowledge not later than 1 January 2019. The detail of Poster Presentations schedule, including place, date and time — will be informed to presenters to each st nominated email at the latest before 1 January 2019.

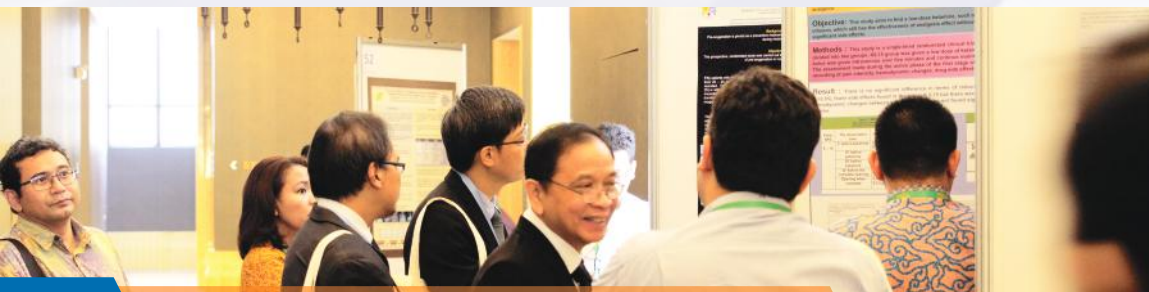

E-POSTER SUBMISSION

Abstract should be submitt before 1 January 2019 by email at neuroicu.inasnacc@gmail.com

PRIZES FOR BEST PRESENTATIONS

- ~ Accepted abstracts must be presented in the form of Poster Presentation
- ~ All the scientific poster presentation will be pre sided by a Panel of Jury
- ~ The paper winners presented will be awarded the cash basic prizes
- ~The result of the winning presentations will be announced at the latest on 18 January 2019
- ~All the Presenters are expected to attend in ballroom on time

For further information do not hesitate to call our contact person dr. Ihsan (0821 85383282) or BY EMAIL VIA neuroicu.inasnacc@gmail.com

REGISTRATION

Registration : Made by online or Contact Secretariat CP
