Assalamualaikum wr wb,  
may peace be upon us...

Dear Friends and Colleagues;

On behalf of the organizing committee, I have the great pleasure and honor to welcome you to Surabaya for the 14th National Congress of the Indonesia Society of Neuroanaesthesia and Critical Care in conjunction with the 5th NACC Indonesia and Singapore Joint Symposia.

We are privileged to host the INASNACC 2018 in Surabaya, a city with historical significance and vibrant in its development. The same flow of progress is what we aim to achieve in this symposia; "Translating Neuroscience to Clinical Practice". As new discoveries and technologies in neuroscience emerge in a breath-taking pace, we must embrace the change and incorporate it into day to day clinical practice to improve healthcare.

Our scientific committee is collaborating with experts in neuroanesthesia and critical care from Indonesia and the international community to prepare an exciting scientific program that would provide a perfect blend of advances in clinical research and technology. We also invite participants in poster competition of clinical cases reports and/or research in neuroanesthesia.

The conference will be held in Bumi Surabaya City Resort, an upscale hotel located right in the heart of Surabaya that boasts modern comforts with traditional references to Java's rich artistic heritage. Its superb location offers easy access to places of importance in downtown Surabaya. We are also offering participants to join us on a tour to see the majestic Mount Bromo, taking place near the end of the congress.

We hope you will enjoy the scientific program, social events, and the vibrancy of East Java in the pleasant weather of February – March. We look forward to welcoming you in Surabaya.

Walaikumsalam wr.wb  
Regards,

DR. Hamzah, dr., SpAn., KNA  
Chairman Congress

**TRANSLATING NEUROSCIENCE  
TO CLINICAL PRACTICE**

Assalamualaikum wr wb,

Dear fellow colleagues,

We are delighted to present the 14th National Congress of Indonesian Society of Neuroanesthesia and Critical Care (INASNACC), in conjunction with the 5th Joint NACC Symposium of Indonesia & Singapore.

This event will be held in Surabaya, the city of heroes, in East Java, Indonesia. Our main theme is "Translating Neuroscience to Clinical Practice", as it represents our goal to enhance application of the updates in the rapidly evolving neuroscience into daily clinical practice, with the hope to improve our patients' quality of life.

The congress will consist of scientific lectures in the symposium, as well as an expert panel discussion and Clinical Practice Improvement Program (CPIP) workshop. We also encourage participation from our colleagues both in Indonesia and abroad to share your case reports and clinical research in the Oral Poster Presentation Competition.

We cordially invite to this sharing of minds, for a better understanding and caring in neuroanesthesia and critical care.

Wassalamualaikum wr wb

Chairman INA-SNACC  
Dr. Sri Rahardjo, dr., Sp.An.KNA.KAO

# SYMPOSIUM

Day I – Friday, March 2, 2018

Time	Topic	Lecturer
08.00 – 09.00	<b>OPENING CEREMONY</b>	
	<b>Plenary: Tribute to Siti Chasnak Saleh and Thomas Lew</b> <i>Moderator: Nancy Margarita Rehatta</i>	
09.00 – 09.20	What I Have Learnt or Relearnt in Improving Perioperative Neuroanesthesia	Thomas Lew
09.20 – 09.40	How to Survive Neuroanesthesia in Difficult Condition	Siti Chasnak Saleh
09.40 – 09.55	COFFEE BREAK	
	<b>1<sup>st</sup> Session – Traumatic Brain Injury</b> <i>Moderator: Syafruddin Gaus</i>	
09.55 – 10.15	Neurosurgery in TBI patients in pregnancy: anesthesia consideration	Diana Lalenoh
10.15 – 10.35	How to manage seizure in TBI	Mandy Lim
10.35 – 10.55	Consideration in deciding the time for second surgery in patient with TBI	Iwan Fuadi
10.55 – 11.10	Q & A	
11.10 – 13.00	<b>FRIDAY PRAYER AND LUNCH</b>	
	<b>2<sup>nd</sup> Session – Neuro Critical Care: Brain and Spinal Cord</b> <i>Moderator: Hamzah</i>	
13.00 – 13.20	Postoperative Delirium and Cognitive Dysfunction	See Jee Jian
13.20 – 13.40	Early vs Delayed Tracheostomy	Sudadi
13.40 – 14.00	Neuromonitoring: EEG, IONM, TCD	Beatrice Lim
14.00 – 14.15	Q & A	
14.15 – 14.30	COFFEE BREAK	
	<b>3<sup>rd</sup> Session – Cerebrovascular</b> <i>Moderator: Nancy Margarita Rehatta</i>	
14.30 – 14.50	Perioperative stroke: how to prevent?	Chong Chin Ted
14.50 – 15.10	Imaging pitfalls in diagnosing aneurysm	Sri Andreani Utomo
15.10 – 15.30	Anesthesia technique in pre-eclampsia/eclampsia patients with intracerebral hemorrhage	Chong Shang Yee
15.30 – 15.45	Q & A

# SYMPOSIUM

Day 2 – Saturday, March 3, 2018

Time	Topic	Lecturer
	<b>Plenary: Tribute to Tatang Bisri and Kwek Tong Kiat</b> <i>Moderator: Himendra Wargahadibrata</i>	
09.00 – 09.20	What's new in Traumatic Brain Injury management?	Kwek Tong Kiat
09.20 – 09.40	What's New in Brain Protection in TBI Patients: Does it Work?	Tatang Bisri
09.40 – 09.55	COFFEE BREAK	
	<b>4<sup>th</sup> Session – Neuro Emergency: Brain and Spinal Cord</b> <i>Moderator: Sri Rahardjo</i>	
09.55 – 10.15	GCS less than five – is the patient dead?	Abdul Hafid Bajamal
10.15 – 10.35	How to control damage of autoregulation and Blood-Brain Barrier	Kwek Tong Kiat
10.35 – 10.55	Intubation in patients with raised ICP and cervical spine injury	Putu Pramana
10.55 – 11.10	Q & A	
11.10 – 12.00	LUNCH	
12.00 – 12.30	<b>PENGUMUMAN LOMBA POSTER</b>	
	<b>5<sup>th</sup> Session – What's New</b> <i>Moderator: Kenanga Marwan</i>	
12.30 – 12.50	Postoperative Visual Loss	See Jee Jian
12.50 – 13.10	Laparotomy for Refractory ICP: is a fact	Dewi Yulianti Bisri
13.10 – 13.30	TIVA vs Inhalational Anesthesia in Neuroanesthesia: which one is more superior?	Chong Chin Ted
13.30 – 13.45	Q & A	
	<b>6<sup>th</sup> Session – Brain Tumor</b> <i>Moderator: Sudadi</i>	
13.45 – 14.05	Anesthesiologist Role in Management of Surgery with IOM	Agus Baratha
14.05 – 14.25	Brain Tumor: Do or Do No Surgery	Zafrullah Khany Jasa
14.25 – 14.40	Q & A	
14.40 – 15.00	COFFEE BREAK	
15.00 – 16.00	<b>Meet The Expert : Patient Safety &amp; Ethical Decision in Neuroanesthesia and Neurocritical Care Cases</b> <b>Panelists</b> <i>Nancy Margarita Rehatta (Moderator), Thomas Lew, Tatang Bisri, Abdul Hafid Bajamal</i>

# Poster Presentation

## The Rules of Poster Presentation INA-SNACC

### **Requirements :**

1. This competition is open to anesthesiology residents and anesthesiologists as individuals or in groups.
2. Participants must submit their poster(s) abstract for early selection; those who pass this selection must register themselves as participants of the symposium
3. Participants may submit more than one poster.
4. Posters submitted may be case series or research.
5. The poster's main topic is neuroanesthesia and/or neurocritical care

### **Selection Mechanism :**

1. All participants must send their abstracts of the poster to our email address: [poster.inasnacc@gmail.com](mailto:poster.inasnacc@gmail.com) before February 1st, 2018
2. Participants who pass the abstract selection will be announced through the symposium's website and be contacted personally via e-mail.
3. Participants shortlisted for presentation must send their e-posters as files to the committee email before February 21st, 2018

### **Abstract Criteria :**

1. Abstracts must be in English
2. Abstracts must be typed with Times New Roman, font size 12 pts, space 1.5, and maximal 300 words.
3. Abstracts should include :
  - Title, typed in capitals and bold
  - Authors name and their affiliations (poster presenter's name should be underlined)
4. Maximum 5 keywords : use words which are contained in medicus index
5. For the research abstract, the following sub-topics must be included: Introduction, Objectives, Method, Result, Conclusion
6. For the case report abstract, the following sub-topics must be included: Introduction, Case Report, Discussion, Conclusion

### **Poster Criteria :**

1. Posters must sent in pdf format, with maximum size of 2 MB.
2. Posters should be made in landscape orientation
3. The contents of the posters include : title, author(s) name (s), affiliations, and abstract's content

### **Poster Presentation**

1. All oral presentation will be held on Friday, 2nd March 2018.
2. Duration of each presentation will be 20 minutes (15 minutes of presentation and 5 minutes of discussion)
3. Kindly contact our e-mail in [poster.inasnacc@gmail.com](mailto:poster.inasnacc@gmail.com) should you have any questions regarding the INASNACC scientific poster competition

(Photocopies of this form are accepted)
